Management and Discussion Analysis

Industry structure & developments:

Industry Overview:

NBFCs are an integral part of the Financial System. Their importance has grown over the years with their innovative products, intelligent credit checks, quick turn - around times and ability to reach last mile customer, who generally do not have banking access.

The NBFC Sector in India is large with significant growth potential and has consistently created value for its shareholders. The NBFC Sector has a double digit credit market share and has consistently gained market share from Banks over last 10 years. The Sector has been delivering on average, approximately 1.5% - 2% RoEs as compared to select Banks over the last many years.

The year gone by has been a significant year, as the country witnessed unprecedented events in the judicial and economic space.

Supreme Court made a judgement in September 2018 that private entities cannot insist on Aadhaar for KYC Verification. The verdict had a major adverse impact on payment banks and financial technology (fintech) players including e-wallets, online loan givers, peer- peer lending platform; etc as obtaining Non-Aadhaar based KYC resulted an increase in the cost and time for acquiring new customers for these enterprises.

Another incident that has had an impact on NBFC Sector is rising NPAs and Credit Crunch. Interest Rates have increased, growth and margins have seen some strain and Asset- Liability Mismatch have been widely discussed.

Draft guidelines on Liquidity Risk Management for NBFCs and Core Investment Companies have been issued by the RBI to ensure that NBFCs have robust system of measuring, monitoring and controlling liquidity risk and they maintain sufficient liquidity.

In addition to above, RBI has also issued Prudential Framework for Resolution of Stressed Assets for NBFCs and thereby providing for early identification and reporting of stress under different categories of Special Mention Assets which *inter alia* includes reporting of default falling within the bucket of 1-30 days.

The opportunity for NBFCs still exists as the retail credit penetration in India is low and approximately less than 20% of the population have access to bank credit.

Opportunities and Threats:

Opportunities

- Under-penetration of financial services / products in India.
- Initiatives of the Reserve Bank of India on Policy alignment and latent credit demand in certain segments not catered by the Banks. RBI implements major changes in a structured manner providing companies operating in NBFC Sector adequate time to adapt and adjust.
- Introduction of array of new products to meet the varied requirements of customers.

Threats / Challenges

- Adequate funding, at the right cost and tenure will be critical to achieve business growth.
- Competition from local and multinational players.
- Maintaining the competitive edge with the new entrants like Payment Banks, Small Banks, Fin-Tech Companies.

- Attraction and retention of Human Capital.
- Given economic scenario, maintaining minimal delinquency levels through adequate levels of provisioning.
- The Company needs to be equipped to quickly adapt the constant changes in Regulations and competitive landscape.
- The Company needs to implement Indian Accounting Standards from FY 2019-20

Financial Performance:

Your Company is engaged in wholesale lending with a focus on providing innovative debt solutions to corporates, enterprises, etc in various sectors including real estate; Promoter funding & loan against shares; etc.

Your Company's balance sheet size at the end of FY 2018-19 stood at Rs. 9,195,685,312 as compared to Rs. 5,893,569,519 for FY 2017-18. On the asset side, the Company's loan book, which was at Rs. 4,822,259,613 in FY 2017-18, has grown to Rs. 8,393,601,149 in FY 2018-19.

For the FY 2018-19, the revenues of the Company were at Rs. 1,263,208,627 as compared to Rs. 405,699,180 for FY 2017-18. The Profit after tax for FY 2018-19 was Rs. 434,225,466.

As on March 31, 2019, the Net worth of the Company stood at Rs. 3,805,790,713. The total outstanding borrowing of the Company as on March 31, 2019 is Rs. 5,074,794,687 which includes Term Loans from Banks of Rs. 1,650,000,000, Working capital Facility from banks of Rs. 3,224,794,687 and Inter Corporate Deposit of Rs. 200,000,000.

As on March 31, 2019, the standard provision of Rs. 34,035,980/- (Previous Year: Rs. 19,852,511) at the rate of 0.40% was provided pursuant to the Reserve Bank of India (RBI) requirement in this regard.

Operational Performance:

Your Company has consistently maintained a high Capital to Risk-weighted Assets Ratio (CRAR) due to its robust capitalisation profile aided by low debt. The CRAR of the Company for the financial year ended on March 31, 2019 is at 40.16%, which is way above the limit prescribed by the Reserve Bank of India.

While the Board's strategy is to have a gradually increasing yet conservative debt/equity ratio, and its commitment to ensure that the Company's CRAR remains well above the regulatory prescribed limit of 15%.

Risks:

The Company's risk philosophy involves developing and maintaining a healthy portfolio within its risk appetite and the regulatory framework. While it is exposed to various types of risks, the most important among them are credit risk, market risk (which includes liquidity risk and price risk) and operational risk. The measurement, monitoring and management of risks remains a key focus area of the Company.

Your Company's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked against best practices in the market.

The Board of Directors have an oversight on all the risks assumed by the Company. For credit risk, distinct policies and processes are in place. Management of credit risk is carried out through credit assessment, mitigation, etc; portfolio diversification, credit appraisal and approval processes, internal ratings, post sanction monitoring, operations control, fraud control, collection processes and remedial management procedures. For every product, underwriting standards, security structures, etc are specified to ensure consistency of credit patterns. All the credit proposals are approved by the Credit Committee of the Board.

Outlook:

NBFCs have been playing a very important role from the macroeconomic perspective and as a core catalyst in the Indian Financial System. NBFCs are certainly emerging as better alternatives to the conventional banks for meeting the financial needs of various sectors. However, to survive and to constantly grow, NBFCs have to focus on their core strengths while improving on weaknesses. They will have to be very dynamic and constantly endeavor to search for new products and services in order to survive in this ever-competitive financial market.

The NBFC segment is a catalyst to the economic development of the country. The RBI is constantly striving to bring necessary changes in the NBFC Regulatory space to proactively provide regulatory support to the segment and also to ensure financial stability in the long run.

The outlook of the Company for the year ahead is to drive profitable growth across all products and maintain its asset quality across its offerings. The Company as a whole, will focus on balanced measured growth, asset quality and cross selling opportunities.

The Company’s Corporate Social Responsibility (CSR) / Environmental Social Governance (ESG) vision is to enable sustainable development and inclusive growth across communities through innovative socio economic and environmental interventions, in fulfilment of its role as a socially responsible corporate citizen. CSR / ESG is embedded in our values and reflects how we conduct business, develop products and services and deliver on our goals and commitments. As a Company, we follow responsible business practices in the geographies in which we operate. We rigorously review our business practices and policies and are continuing to simplify information for customers, maintain a strong risk culture and manage our businesses to be accountable to customers and stakeholders.

Our CSR / ESG approach, will continue to focus on building strong economies, helping communities thrive, promoting arts and culture and environmental sustainability.

Objective

This Policy sets out the framework that guides all ESG / CSR initiatives and activities undertaken by the Company. This Policy is framed in accordance with the provisions of Section 135 of the Companies Act, 2013 read with the relevant Rules made there under. Any project or program that is exclusively for the benefit of SPFPL’s employees would not be considered as CSR / ESG initiative, program, project or activity. The surplus arising out of the ESG / CSR projects, initiatives or programs or activities shall not form part of the business profit of SPFPL. The scope and ownership of this Policy will be with SPFPL and shall be governed by the applicable Indian laws.

The Policy is guided by SPFPL’s vision to integrate environmental protection and social development into its mandate in a proactive manner in order to contribute towards sustainable development of the economic socio conditions. To achieve a balance between developmental imperatives, and environmental sustainability and social well-being in its operations, SPFPL:

(i) Gives due consideration to environmental and social (E&S) aspects in examining the credit proposal and financing projects in order to avoid, minimize, and mitigate environmental and social adverse impacts and risks, if any; and

(ii) to comply with applicable Indian environmental and social policies, laws, and regulations.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
12. As required by Section 143(3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Shapoorji Pallonji Finance Private Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities that include the design, implementation and maintenance of adequate internal financial controls were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members of Shapoorji Pallonji Finance Private Limited on the financial statements as of and for the year ended March 31, 2019

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
(b) The fixed assets of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
(c) The Company does not own any immovable properties as disclosed in Note 9 on fixed assets to the financial statements. Therefore, the provisions of Clause 3(i) (c) of the said Order are not applicable to the Company.
- ii. The Company is in the business of rendering services, and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said Order are not applicable to the Company.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii) (a), (iii) (b) and (iii) (c) of the said Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, goods and service tax and other material statutory dues, as applicable, with the appropriate authorities. Also refer note 28 to the financial statements regarding management's assessment on certain matters relating to provident fund.
(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, service-tax, duty of customs, and duty of excise or value added tax or goods and service tax which have not been deposited on account of any dispute.
- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.

1. A Corporate Information

Shapoorji Pallonji Finance Private Limited was incorporated under the provisions of the Companies Act, 1956 as a public company and w.e.f. 31 March, 2016 it was converted into a private company. The Company is registered with the Reserve Bank of India (RBI) as Non-Banking Financial Company (NBFC) vide Certificate No. B-13.01534. The Company is primarily engaged in Loan Business. The Company is a subsidiary of Shapoorji Pallonji and Company Private Limited.

1. B Significant Accounting Policies**1 Basis of accounting and preparation of financial statements**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), specified under section 133 and other relevant provisions of the Companies Act, 2013 and guidelines and circulars issued by RBI on NBFC and amendments there to (the 'Guidelines').

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III (Division I) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

3 Cash and cash equivalents

Cash comprises cash on hand and demand and term deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

4 Property, Plant and Equipments

Fixed assets carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

5 Intangible assets

Intangible assets are stated at cost of acquisition less accumulated amortisation. Computer software is amortised over a period of three years.

6 Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation is provided on Straight Line Method ('SLM'), which reflects the management's estimate of the useful life of the respective fixed assets and are greater than or equal to the corresponding useful life prescribed in Schedule II of the Companies Act, 2013. The estimated useful life used are as follows:

Particulars	Estimated useful life by the Company	Useful life as prescribed by Schedule II of the Companies Act, 2013
Furniture and Fittings	3 Years	10 Years
Office Equipments	5 Years	5 Years
Computers	3 Years	3 Years
Vehicles	4 Years	8 Years
Software	3 Years	3 Years

Useful life of assets different from prescribed in Schedule II of the Companies Act, 2013 has been estimated by management and supported by technical assessment.

Leasehold improvement is amortised on Straight Line Method over the lease term.

All fixed assets individually costing Rs. 5,000/- or less are fully depreciated in the year of acquisition.

Depreciation on assets acquired/sold during the year is recognised on a pro-rata basis to the Statement of profit and loss till the date of sale.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

7 Investments

Investments are classified as current and long term based on management intention at the time of purchase. Investments which are intended to be held for more than one year are classified as long term investments and investments which are intended to be held for less than one year are classified as current investments.

Long term investments are recorded at cost as on the date of transaction. Appropriate provision is made for any diminution, other than temporary, in the value of the investments.

Current investments are valued at lower of cost or market value. The cost of investments for determining the profit or loss on sale is determined on the basis of weighted average cost.

8 Revenue Recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation / collection. The company follows the prudential norms prescribed by Reserve Bank of India for income recognition and provisioning on case by case basis.

- a. Income from financing activities is recognised on accrual basis, except in case of penal interest and income on non-performing assets, which is recognised on receipt basis.
- b. Interest income on fixed deposits is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.
- c. Interest income on fixed income debt instruments such as certificate of deposits and non-convertible debentures are recognised on a time proportion basis taking into account the amount outstanding and the effective rate applicable. Discount, if any, is recognised on a time proportion basis over the tenure of the securities.
- d. Dividend is recognised as income when right to receive payment is established.
- e. Profit/loss on the sale of investments is determined on the basis of the weighted average cost method.
- f. Syndication fee and other fees are recognised as income when the right to receive it is established.
- g. Processing fee is recognised on an accrual basis as the service is provided, unless included in the effective interest calculation.

9 Borrowing costs

Interest and other costs in connection with the borrowing of the funds to the extent related / attributed to the acquisition / construction of qualifying fixed assets are capitalised up to the date when such assets are ready for its intended use and all other borrowing costs are recognised as an expense in the period in which they are incurred.

10 Employee benefits

Provident Fund: Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Gratuity: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Leave Encashment: The eligible employees of the Company are permitted to carry forward certain number of their annual leave entitlement to subsequent years, subject to a ceiling. The Company recognises the charge in the statement of profit and loss and corresponding liability on of such non-vesting accumulated leave entitlement based on actuarial valuation. The actuarial valuation is done as per projected unit credit method as at the reporting date.

11 Impairment of assets - Property Plant and Equipment and Intangible assets

At each balance sheet date, or more frequently where events or changes in circumstances dictate, tangible and intangible assets are assessed for indications of impairment. If indications are present, these assets are subject to an impairment review. The carrying value of fixed assets are reduced to an recoverable amount and reduction is recognised as impairment loss in statement of profit and loss.

12 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

13 Provisioning / Write-off of assets

Loan loss provision in respect of non-performing loan is made based on management's assessment of the degree of impairment of the loans and estimates of recoverability/realisation of the loans, subject to minimum provision level prescribed in accordance with prudential norms of the RBI.

14 Current and Deferred tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. In situations, where the Company has unabsorbed depreciation or carry forward losses under tax laws, all deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities presenting current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

15 Provisions, Contingent Liabilities and Contingent Assets

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

22 Old Income tax proceedings:

During previous years, Company had received demand of Rs. 12,157,108 for Assessment year 1995-96 to 1998-99 from Income Tax Department towards certain leasing transactions carried out by the Company. Further, the department had also initiated penalty proceeding which was contested by the Company. Subsequently, Company had filed an appeal with the Income Tax Appellate Tribunal (ITAT). The Income Tax Appellate Tribunal had remitted the case back to the Assessing Officer for being reheard in the light of the ITAT decision in the case of Mid East Portfolio Management Ltd V. DCIT 87 ITD 537. Since the case was remitted back to the Assessing Officer by ITAT, the income tax demand with respect to above cases was unquantifiable.

Basis the advice received from tax advisor and various judicial pronouncements, management is expecting a favorable decision from the Income Tax Department.

23 Other Commitments related to capital work in progress

The Company has entered into certain non-cancellable agreements with vendors for loan management system, the cancellation of which will entail substantial monetary compensation Rs. 15,750,000 (31 March 2018 : Nil).

24 Segment Reporting:

The Company is registered with the Reserve Bank of India as a Non Banking Finance Company engaged in the business of lending. During the current year and previous year the Company was engaged in only one business segment (corporate and other financing) and primarily in one geographical segment. Therefore these financial statements pertain to one business segment.
